

Georgetown ISD Website Resources

The Georgetown ISD Website can be accessed at www.georgetownisd.org, and it has a wealth of resources and information for you!

At the **bottom left** of the GISD Home Page is the **Staff Center**. Here you can check your GroupWise email from home, report an absence and arrange for a substitute, view payroll info such as your latest paycheck stub or your leave balance, download curriculum documents, sign up for GISD staff development classes, and report a technology problem to the HelpDesk.

Check Your Email

Click on **Check Your Email** to log in to GroupWise from any computer with Internet access. Your username and password are the same as the GroupWise username and password that you use at school.

Make sure you select whether you are accessing your email from a high bandwidth connection (DSL or cable) or a low bandwidth connection (dial-up). Also check **Remember my settings** so you do not have to pick a connection speed every time you log in.

GroupWise WebAccess is meant to be used from a non-GISD computer (e.g. checking your e-mail from home). If you are checking your e-mail at any computer inside of GISD, use the GroupWise program installed on the computer.

Report an Absence

Click on **Report an Absence** to access AESOP report that you are going to be out and request a substitute. (All absences should also be cleared through your campus principal; see him or her for specific campus guidelines).

Human Resources will provide you with an ID number and PIN number. You will need to call **1-800-942-3767** to perform an initial account setup.

View Payroll Info

Click on **View Payroll Info** to log in to the Skyward Employee Access system. Skyward will allow you to view your paycheck stub information and your local and state leave balances. GISD does not provide paper paycheck stubs.

You will receive your login and initial password for Skyward Employee Access from the Business Office.

Curriculum Corner

Resources for Georgetown ISD teachers

[Home](#) [Language Arts](#) [Math](#) [Science](#) [Social Studies](#) [Health/PE](#) [Technology](#) [Other](#)

Download Curriculum Docs

Click on the **Download Curriculum Docs** link to go to the Curriculum Corner

From this page you will be able to access curriculum support documents such as the Texas Essential Knowledge and Skills (TEKS) for each subject area, GISD Scope and Sequence documents by subject and grade level, and other instructional support materials. Materials are posted for grades K-12.

Under the **Technology** section of Curriculum Corner, you will find instruction sheets for using GISD administrative and instructional technology resources and integrating technology into instruction.

Sign Up for Classes

Click on **Sign Up for Classes** to sign up for staff development classes offered by GISD. You will also need to log in to the staff development sign-up system to evaluate the classes you take. Evaluation is required in order to receive credit after taking a class.

You can also check credits you have received through GISD staff development by logging into this system. Your login is your **Social Security Number without the dashes**, and the password for everyone is **eagle**.

SSN:	<input type="text"/>	*No dashes
Password:	<input type="text"/>	
<input type="button" value="Log In"/>
